2012 School Year begins.

Dear Parents,

The end to the school year is almost here and today our End of Year Reports were sent home with each student. If you have any concerns or queries about the information included in your child's report please make a time to meet with their class teacher.

I would like to extend on behalf of the school community our best wishes to our Year 7 students who are beginning high school next year; Brenton Dooley, Tayla England, Lisa Fritsch, Kaitlyn & Lachlan Greenfield, Tara Henningsen, Darcey Newton and James Telford. We also farewell the Dooley, England, Fritsch, Greenfield and Telford families. To all of the students and families above, we thank you for your efforts and contribution to our school.

At our assembly yesterday we also farewellled our groundsperson Robin Bilney who is retiring. Robin has been the groundsman at our school for over 10 years and we have valued his work in keeping the grounds neat and tidy. At the assembly Robin was presented a certificate on behalf of the school and the MP students also gave him a booklet of some drawings that they had put together of the work he does. Over the years Robin has worked at a number of school sites and when he spoke to the students yesterday it was pleasing to here the nice comments he made about our school.

On a personal note, I would like to thank everyone for their support during the year and wish everyone an enjoyable Christmas break. I look forward to working with the school community in 2012 to continue to provide positive learning opportunities for the students here at Mil Lel.

Regards,

Stephen
